Before asking license

When asking for a ViCANdroid license, user needs to provide below information of the Kvaser device.

- 1. Have Kvaser driver installed on your PC
- 2. Plug in your kvaser device to your PC
- 3. Open Kvaser Device Guide
- 4. Select View->Detailed information from the menu
- 5. Click on any channel of the Kvaser device, for example:

2019 ©Zuragon Technologies LTD, All rights reserved. www.zuragon.com info@zuragon.com

- 6. Send the screenshot to Zuragon for ViCANdroid license or send the **Device EAN number**, **serial number** and the **Drivername** to Zuragon via info@zuragon.com.
- 7. Zuragon will send you a license file.

Apply license

Follow below procedure to apply the license to your Kvaser device.

- 1. Plug in your Kvaser device to your PC
- 2. Open Kvaser Device Guide
- 3. Open Tools->Customer Data from the menu
- 4. Select the Kvaser device you want to apply the license
- 5. Click "Write data..." button on the bottom right corner.
- 6. Copy the content of the license file and paste to the new window and click OK.
